Airport Firefighters On-Duty Every Day 0800-2100 (Other times by request) 618-337-7478 or 410-0188 Call "Rescue" on 121.8 Dial 911 for emergencies

For Airport Administration after hours, contact the firefighter on duty.

The Gateway Area Ultralight Association is a group of ultralight aircraft enthusiasts who meet at Crusoe's restaurant monthly on the 3rd Thursday of each month at 6 p.m. They enjoy Crusoe's chicken wings while conducting their business meetings and typically follow their meeting with a period of work on the *Demoiselle* restoration at the Greater St. Louis Air & Space Museum in historic hangar two.

While most of their ultralights fly from other nearby airports and private landing strips around the region, they hold many activities here. They conducted a free Bing and Mikuni carburetor clinic in January and followed that last weekend with a Rotax engine clinic. Other clinics are planned in the future.

For more information about the organization, visit their web site at <http://gaua.homestead.com>, visit a meeting, or e-mail the club president, Bill Rohland, at billngoc2@hotmail.com.

B-17 RIDES AVAILABLE HERE IN JULY

The Experimental Aircraft Association's B-17 Flying Fortress, "Aluminum Overcast," is coming to our airport again this summer. It will be operating from the Greater St. Louis Air & Space Museum, July 2nd through 4th, and will be offering flights, ground tours, and memorabilia. Start saving your dimes now to fly in this beautiful historic aircraft.

The B-17 will also appear in the Fair St. Louis Fourth of July Air Shows at the Gateway Arch Riverfront and in our private Special Needs Air Show here, on July 6th. See www.b17.org for more information now and watch for additional details in our June Airport Newsletter.

ELECTRONICS RECYCLING DAY

The Cahokia Area Chamber of Commerce is hosting an electronics recycling day on Saturday, April 20th, at the Cahokia Fitness Center (formerly the YMCA on the old Parks College Campus), on Camp Jackson Road.

The following items will be accepted FREE for environmentally friendly recycling: Computer components; electric motors; DVD players; laptop computers; batteries; speakers; VHS recorders; modems; cell phones; wire; small refrigerators; washers; dryers; dishwashers; small freezers; and other small appliances such as blenders, mixers, and bread machines.

There will be a \$5 fee for small televisions and computer monitors and \$10 for large TVs.

All proceeds generated by the recycling effort will fund college scholarships for area students. For additional information, phone 618-337-4721.

PLAN TO ATTEND SPRING ACTIVITIES

We may still be shoveling snow but our airport community is busy planning for some great spring activities. Mark your calendars now and plan to attend.

March 1: Parachute jump by 83-year old Lew Sanborn over Jefferson Barracks at noon to commemorate the 101st anniversary of the first successful parachute jump from an airplane.

March 2: Women In Aviation Day at the Greater St. Louis Air & Space Museum, historic hangar two. Meet women aviation professionals and inspire the next generation of girls to reach lofty heights!

March 9: The screening of "Air Racers" in the OMNIMAX Theater at the St. Louis Science Center kicks off Aviation Day activities! Experience simulated flight in the planetarium and check out various aircraft and flight related activities.

March 10: Daylight Savings Time begins—more time to fly each day!

March 16: Scout Aviation Day at the Museum—Young Eagle pilots needed!

April 6: Youth Gateway to Aviation Day, sponsored by St. Louis University, the Air & Space Museum, EAA Chapter 64 and many others. (Young Eagle pilots are needed for this event, too.)
